Romania Small Group Walking Tour for Seniors

Romania Walking Tour

Odyssey offers easy, convenient, and relaxed escorted small group tours across Western Europe and beyond into Romania. We explore Romania's fairy-tale natural beauty, its ancient heritage, its World Heritage Sites, and world famous city, all with some truly spectacular scenery along the way. This and more is all waiting to be explored on one of Odyssey's small group tours of Romania, designed for the senior traveller, and led by experienced, and enthusiastic like minded people

Our Romania small group walking tour for seniors explores the magnificent landscapes of the Carpathian Mountains and, additionally, takes in the vibrant culture and rich heritage of Romanian village life.

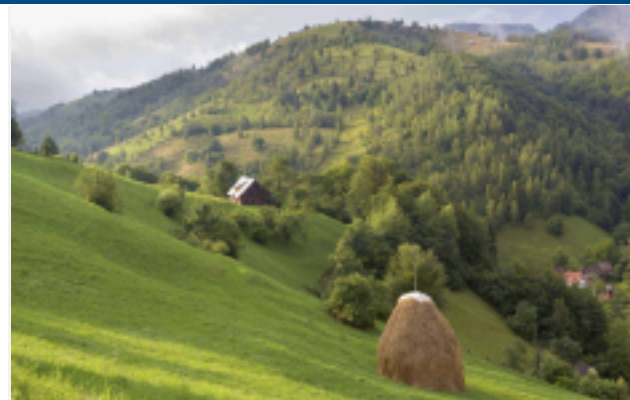

The tour is particularly noteworthy for the country's breathtaking natural wonders, and the beautiful architecture and villages we encounter throughout.

Highlights of the Romania Walking Tour

The small group tour begins in Cluj Napoca, a vibrant town in the Transylvania region of Romania. We walk through several picturesque Romanian villages, including Ieud and Sarbi, with local guides explaining historical and cultural landmarks.

Stopping in the city of Sapanta, we visit the Merry Cemetery (a national tourist attraction, due to the colourful paintings on tombstones, which depict the lives of those interred there) and the Peri Monastery Church (the tallest wooden structure in Romania). We also take a coach through the gorgeous Moldovita Valley, where we tour the village and monastery where monks and hermits have lived since the 14th Century.

Our Romania small group walking tour is the perfect way to comprehend the country's natural beauty. During the tour we witness the Cascada Cailor, a stunning 90m waterfall with an altitude of 1300m. Especially memorable is the National Park at Harghas, where we climb the Harghas Pass. The Park incorporates the Harghita and Neamt counties, and covers some 6,800 hectares. Home to a vast number of rare birds and plants, it also contains one of the only barrier lakes in Eastern Europe, towering limestone gorges, as well as flower-laden meadows.
