di Bernardone to a wealthy family in 1182 and where he died at the age of 44 in 1226.

The Via di Francesco pilgrimage walk traditionally begins at the Sanctuary of La Verna and ends at the tomb of St. Assisi in Basilica di San Francesco d'Assisi. This tour, especially designed for the active mature or senior traveller, combines comfortable coach rides with enriching walks through verdant forests and valleys. **We will walk up to 15 kilometres per day**, and explore key places of interest on the pilgrimage route with local guides. If you are after a memorable travel experience, this is guaranteed to be an unforgettable walking adventure full of history and culture.

On this tour, we will visit:

- Florence
- Arezzo
- Cita di Castello
- Gubbio
- Assisi
- Terni
- Viterbo
- Piediluco area
- Tivoli
- Rome

St. Francis, patron saint of Italy (with Saint Catherine of Siena) and the patron saint of animals and the environment, chose to leave a life of luxury to devote the rest of his years to the Christian faith. He is remembered as the first person to receive the stigmata, or marks resembling the wounds Jesus Christ suffered when he was crucified, and was canonised only two years after his death. In 2013, Cardinal Jorge Mario Bergogli from Argentina chose to honour the saint by taking

his name, becoming Pope Francis.

Though St. Francis lived a life of poverty and solitude, travellers will be treated to a rich route that passes through historic towns filled with architectural wonders and amazing natural beauty. Even with the walking, you will be enjoying *la dolce vita* and discovering hidden gems along this pilgrimage. As well as taking in important Franciscan sites, you will have the chance to experience delicious Italian cuisine and gain an insight into local culture in each of the towns we visit. Be prepared for an Italian adventure like no other.

Overview:

Florence is the capital of the region of Tuscany and is considered the birthplace of the Renaissance. It is home to the awe-inspiring Santa Maria del Fiore (Duomo di Firenze), the Piazza della Signoria near the

city's town hall, Palazzo Vecchio ("Old Palace"), and the medieval Ponte Vecchio, the only bridge across the Arno River left intact in World War II.

Day 3

Locations: La Verna - Pieve Santo Stefano - Arezzo

Overview:

A touring coach will be joining us today and stay with us until Day 15.

After breakfast we will transfer to La Verna to visit this peaceful mountain Franciscan sanctuary and the traditional starting point of the Via di Francesco. We will have a guided tour of the Sanctuary of La Verna, which served as a place of quiet contemplation for the saint and where he was said to have received the stigmata, and walk roughly 15 kms through the beautiful Casentino woods to Pieve Santo Stefano. We will enjoy a packed picnic lunch to eat along the way. This trail is of medium difficulty, with a few steep areas on Mount Calvano and Mount Modina.

Upon arrival in Pieve Santo Stefano we will have free time to explore the area. Pieve Santo Stefano is a small village with vestiges of its Roman origins. It is also known as "Diary City" as it is home to the Archivio Diaristico Nazionale, which collects thousands of diaries and other epistolary texts.

After exploring, we will transfer to Arezzo and check in to our accommodation for the night. We will enjoy dinner at a local restaurant.

Accommodation:

Overnight Hotel Continentale or similar

Day 4

Locations: Arezzo - Citerna - Lerchi - Citta di Castello

Overview:

After breakfast we will travel by coach to Citerna, named after its extensive underground system of cisterns, and have some free time to explore this charming Umbrian city. It has two ancient city gates still standing—Porta Romana and Porta Fiorentina, named after the directions they faced (towards Rome and Florence, respectively)—and several churches.

Still in the Citerna area, we will head to Fattoria Montelupo, the only *fattoria* (“farm”) in Umbria producing buffalo mozzarella. We will have a guided tour to learn about the production process and have a tasting.

We will transfer to Lerchi and start our 9 km-walk to Citta di Castello. During the walk, subject to availability, we will have stops at Fondazione Archeologia Arborea, which has ancient local varieties of fruit plants, and Covent of Buon Riposo. This is a relatively walk with a downhill final stretch leading to the Cathedral of Città di Castello.

We will have time to explore Citta di Castello with a guide, and end the day with dinner at a local restaurant.

Accommodation:

Overnight Hotel Tiferno or similar

Day 5

Locations: Citta di Castello - Pietralunga - Gubbio

Overview:

From Citta di Castello we will transfer to Pietralunga, a small town with only around 2,300 inhabitants. It is home to a medieval stronghold and the 7th century Parish Church of Santa Maria, and we will explore the town on a guided tour. We will transfer to the village of Monteieto and walk 7 kms. to Gubbio. The trail will be dotted with hermitages, abbeys, and little villages—plenty of wonderful stops to enrich our walk. Upon arrival in Gubbio we will have lunch (own arrangements) and view the

main sights with a guide.

Our itinerary in Gubbio includes a ride by cable car on the Funivia Colle Eletto to reach the Basilica Sant'Ubaldo on Monte Ingino. The Basilica displays the body of St Ubaldo in a glass coffin above the altar, and has a small museum dedicated to the town festival, Corsa dei Ceri. We will also visit the Antiquarium and Teatro Romano, an archaeological museum and the remains of a 1st-century Roman theatre.

Overnight Relais Ducale or similar

Day 6

Locations: Gubbio - Valfabbrica - Assisi

Overview:

We are moving ever closer to Assisi. After breakfast at the hotel, we will travel by coach from Gubbio to Valfabbrica and from there walk the 15 kilometres to Assisi. Upon arrival in Assisi we will have lunch (own arrangements) and soak in the beautiful sights on a guided tour of St. Francis's birthplace.

Of course an important stop is the Basilica di San Francesco d'Assisi, a World Heritage Site since 2000 and where the saint's remains are interred. We will also visit the Basilica di Santa Maria degli Angeli (Basilica of Saint Mary of Angels), a huge church built over the small 9th century Porziuncola, the most sacred place for the Franciscans as it was where the Franciscan movement started; and the Basilica di Santa Chiara (Basilica of St. Clare) dedicated to Saint Clare of Assisi, a follower of Saint Francis of Assisi and founder of the Order of Poor Ladies, known today as the Order of Saint Clare.

We will then have dinner in a local restaurant and rest in our hotel.
